## ABOUT THE COLLEGE

Bharath college of science and management, (Affiliated to Bharathidasan University, Tiruchirappalli) was established July 2000 by K. Nadimuthu memorial educational trust which is registered under the Indian Trust Act. An educationist “Manithaneyya Kalviyalar Shri.N.Ganesan, M.com, M.phil., (PhD)., started Indian Institute of Catering Technology and Hotel Management which is the leading and first Institute of its kind since 1993 in Thanjavur and southern part of Tamil Nadu. Our college function with the mission of providing modern education to development enter preneurial skills among youths with the objective of “**BE A JOB MAKER NOT A JOB SEEKER**” and also eliminate poverty in Indian through educating the concepts of management, software, Health and Hospitality.

The college offers 13 UG courses, 11 PG courses, 4 M.Phil., courses and Diploma courses. The dynamics of today’s global business environment alerts us the need of innovative skills for success with a concern to this need. We provide

theoretical along with practical learning to manage the students to structure them in facing the growing world.

## ABOUT THE DEPARTMENT

The Department of Hotel Management and Catering Science was established in the year 2001 – 2002. The department has been initiated to meet out the great demand worldwide for qualified and well – trained hospitality professionals, to enhance the rapid growth of Travel and Tourism Industry in Recent years. The main objective of this institution is to provide 100% placement to the students in various departments of Hotel and Tourism industry in India and Abroad. To make our students well equipped with the working methodologies in different departments, training is provided during summer and winter periods in various leading star category hotels with professional touch.

An education in Hotel Management has today assumed significant importance. Hotel Management students are absorbed in all the service industries such as star hotels, cruise lines, catering units, chain

restaurants, fast food joints, retail sector, shopping malls, multiplexes. Our students are groomed enough and they are absorbed where there is demand for supply of food and beverage services.

### **ABOUT THE WORKSHOP**

Carving is the act of using tools to shape something from a material by scraping away portions of that material. The technique can be applied to any material that is solid enough to hold a form even when pieces have been removed from it, and yet soft enough for portions to be scraped away with available tools.

#### **ABOUT THE SEMINAR**

Bartending has been around for a long time. However, very few people know the basics of the history behind this particular profession. The art of serving drinks and tending to bars has been part of our world for thousands of years. It can be traced back as far as ancient Rome and Greece.
